Requests for access to the bid documents can be sent to Cody Gooden at DKGooden@laneconstruct.com or by
phone at (770) 274-1489.

Any questions should be submitted in writing and emailed to DKGooden@laneconstruct.com no later than March 25, 2020 by 12 p.m.

Lane is currently soliciting bids for the above vendor and subcontractor opportunities. The current bid date for this project is April 2, 2020 at 2 p.m. Lane is requesting quotes be received in our office by April 1, 2020 10 a.m. These can be sent via email to DKGooden@laneconstruct.com or via fax to 678.762.1801.

The Lane Construction Corporation will review all responsive quotes and will negotiate terms, if appropriate. We will notify firms if their bid is accepted for the project.

All DBE subcontractors are encouraged to participate on this project. Lane Construction is willing to break out parts of this contract's work items into economically feasible units to facilitate DBE subcontractor participation. Plans and specifications will be available for viewing on our FTP site, at The Lane Construction Corporation office in Alpharetta, GA, www.wkdickson.com, DODGE Data & Analytics for their website at www.construction.com, and ISQFT.com project # 6283301.

The Lane Construction Corporation is willing to negotiate in good faith with interested DBE subcontractors, and Lane will not reject a DBE, as being unqualified without sound reasons based on a thorough investigation of their abilities. Lane is willing to pay on a quick pay basis upon the number of units for the week, per the schedule of values that the sub performs. Lane Construction will work with DBEs on issues related to bonding, insurance, lines of credit, as well as in obtaining equipment, supplies, materials or related assistance or services.
We appreciate your time and consideration on this project. Please forward all quotes to me at your earliest convenience.
