***We talked with those in charge of this exemplary business and they told us that*** for the last 2 years Verona Kitchen Studio has been providing kitchen cabinets, bathrooms and closets made of wood for interior, and metal for patio designs; surfaces of granite, quartz and marble, among others,  
***in the Charlotte, NC area.***

"Our customers are end consumers, contractors and general builders such as Chelsea and Camden. Whether they buy one or 100 cabinets, our price is extremely competitive, compared to the rest of the market," commented Aivel Gordils, sales manager of the company.
